

You need to mark „I accept the terms in the license agreement” to proceed with installation.

The screenshot shows the 'Customer Information' screen of the 'CMR EU 5.800 - InstallShield Wizard'. The window title is 'CMR EU 5.800 - InstallShield Wizard'. The main heading is 'Customer Information' with a subtext 'Please enter your information.' Below this, there are two text input fields: 'User Name:' with the placeholder text 'YOUR NAME HERE' and 'Organization:' with the placeholder text 'COMPANY NAME HERE'. Further down, there is a section titled 'Install this application for:' with two radio button options: 'Anyone who uses this computer (all users)' (which is selected) and 'Only for me (mposkrop)'. At the bottom left, the 'InstallShield' logo is visible. At the bottom right, there are three buttons: '< Back', 'Next >', and 'Cancel'.

In this window you are asked to enter company details and name. You can choose if you want to install program for all users or the one that is currently logged in to OS.

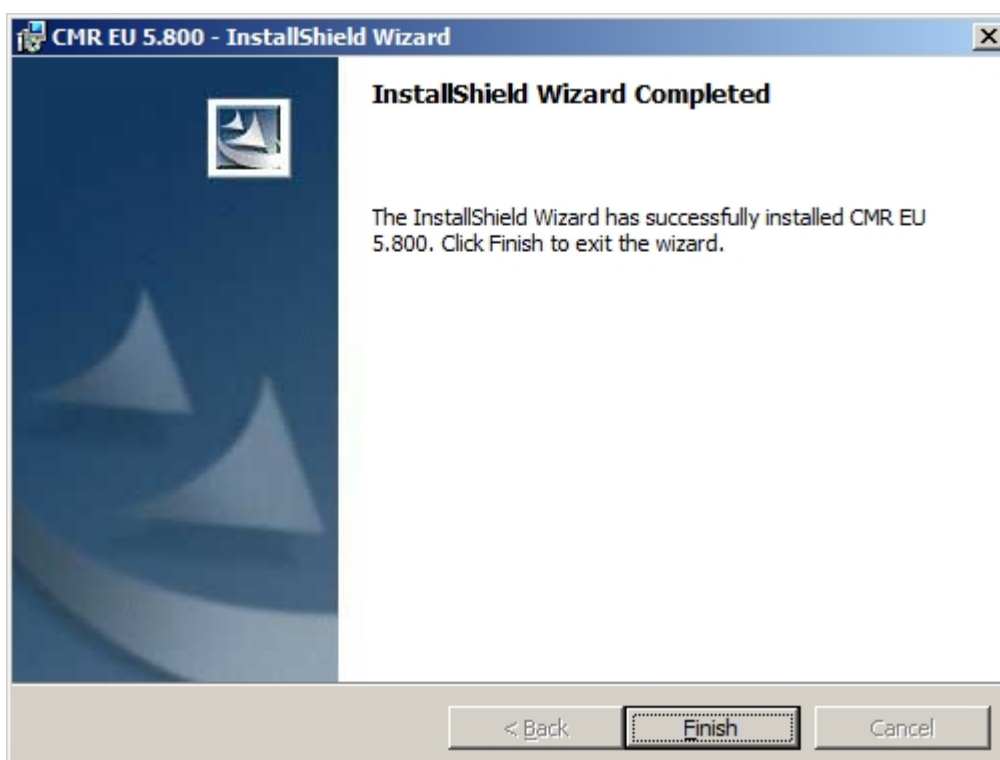

The screenshot shows the 'Ready to Install the Program' screen of the 'CMR EU 5.800 - InstallShield Wizard'. The window title is 'CMR EU 5.800 - InstallShield Wizard'. The main heading is 'Ready to Install the Program' with a subtext 'The wizard is ready to begin installation.' Below this, there is a paragraph: 'If you want to review or change any of your installation settings, click Back. Click Cancel to exit the wizard.' This is followed by a section titled 'Current Settings:' which contains a list of settings: 'Setup Type:', 'Destination Folder: C:\CMR_EU\'', and 'User Information: Name: YOUR NAME HERE, Company: COMPANY NAME HERE'. At the bottom left, the 'InstallShield' logo is visible. At the bottom right, there are three buttons: '< Back', 'Install', and 'Cancel'.

Now you have to click “Install” button. Program will be automatically installed on the C drive. If you want to change its location later it enough to simply move the folder and all its contents to other drive.

WARNING! Move program to its final location before registering it and activating. If you move it after activating program will not work!

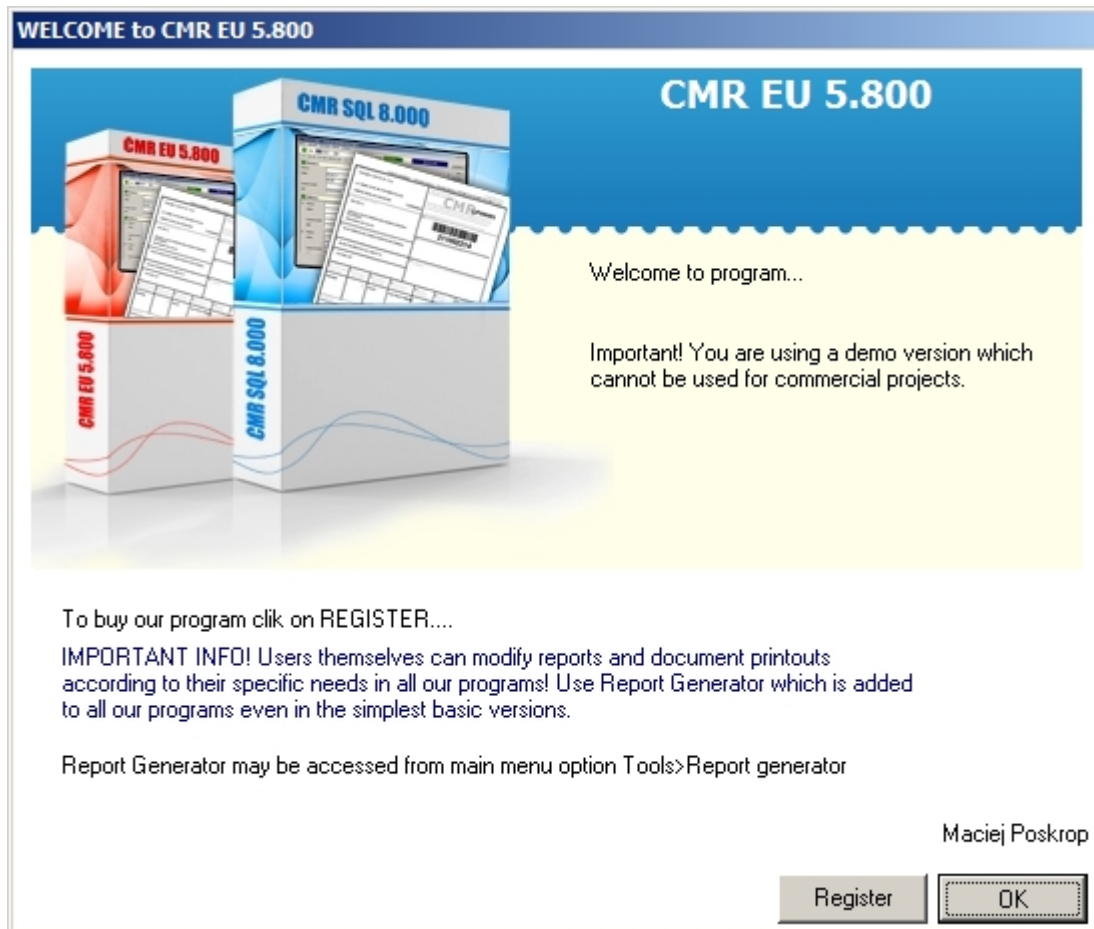

Installation is in progress.

Final window with information that installation was completed successfully.

Now you have to launch program by clicking CMR.exe file.

Click on "Register".
